In Dedication to...

Buddy Keich

This yearbook is in dedication to Albert "Buddy" Keich, a beloved faculty member at MHS for over 35 years. Starting as a career specialist in 1984, Mr. Keich worked in computer science and the social studies department before retiring with computer technology. He also coached MHS boy's basketball in the early years and of course, MHS football. Keich will be missed greatly as a smiling face throughout the entire school community. We wish him a happy retirement!

A Note From.....

Principal Paul Branagan

Congratulations to the Class of 2019! Words truly cannot express how proud I am of each of you. The day you entered Middleborough High School, your story began. Those blank pages began to take shape with each passing day of your journey of high school. Through your time at MHS, you have been a large part of transforming our school for the better. Your commitment to excellence inside and outside of the classroom set the stage for some of the greatest stories ever told. Each of you provided a narrative that would shape who you are today. Be proud of your journey as you are now ready to enter the world and take it by storm. You have defined the meaning of SachemSTRONG. I am sure during your time at MHS there were moments when you wanted to pack it up and call it quits. However, something inside of you told you to keep going and persevere… and now you are graduating. I am so proud of all of your accomplishments. You have made your mark on our school and your legacy will always be there with the Sachems that come after you!

As you prepare to leave Middleborough High School, please know the tremendous responsibility you have to lead. Please continue to possess the level of compassion, commitment and pride that you brought to the hallways, classrooms, stage and athletic fields each and every day. Find something to be passionate about in your life…make a difference…shine. Our world today needs people like you who have a heart and the strength to use your voice to help make our world better. I know you can do it….because you did it here. I will never forget the Class of 2019.

As you graduate, off in the distance will be the building of the new Middleborough High School. Please know that although the building where you spent the last four years as such important contributors to the story that is Middleborough High School is coming to a close….your legacy, spirit and determination will be evident in everything we do in the new high school. Thank you for teaching us to be better. Now…go and continue to write the greatest story ever told. I wish you all the best. I will truly miss you!

Principal

Superintendent Brian Lynch

Dear M.H.S. Class of 2019,

Congratulations! I would like you to know that it has been an incredible personal and professional privilege to serve as your Superintendent of Schools during your high school years.

As proud graduates, you are now positive role models for countless current and future students in the Middleborough Public Schools! In your own way, each of you has "finished strong" and exemplified what being a "Sachem" is all about.
Throughout your years in the Middleborough Public Schools, you have established an impressive record of accolades and accomplishments and you should all be proud of everything you've done.

On the day of your graduation, my own thoughts will travel back almost forty years to the day when I celebrated my own graduation from M.H.S. Although it seems like "only yesterday", I can still remember, with great fondness, my days as a Sachem and I would not trade those friendships developed and memories made for anything. My sincere hope for each of you is that the friendships and memories you have made while in Middleborough will last you a lifetime!
As you transition to the next phase in your lives, I am confident that you have been well prepared with the knowledge, skills, attitudes and beliefs necessary to face the challenges that lay ahead for you. Please know that you will always have the support of your family, friends, school system and the entire Middleborough community.

In closing, and on behalf of the entire Middleborough Public School system, please accept my heartfelt best wishes to each and every one of you for a healthy, happy and successful future.

Once a Sachem, always a Sachem.

Sincerely,

Brian Lynch
